

CSE 110 USER STORIES

The Troupe

USER STORY

As a user

I want to be able to **choose a lesson**

so that I can choose what topic I want.

USER STORY

As a user

I want to be able to see **what lessons I've completed**

Because I want to see my progress

USER STORY

As a user

I want to be able to see the **chapters split up into lessons**

Because I can choose the specific material

USER STORY

As a user

I want to be able to go back to **previous screens**

Because it will make the app easier to use.

USER STORY

As a user

I want to know if **I get a problem wrong**

Because I want to know if I know the material

USER STORY

As a user

I want to have a **variety of questions**

Because I want new material

USER STORY

As a user

I want to a **menu button**

Because I can easily navigate

USER STORY

As a user

I want **a search button**

Because I can navigate through the topics easier

USER STORY

As a user

I want to **see splash screens**

Because for visual aesthetics

USER STORY

As a user

I want to see a **progress bar of the current chapter**

Because I can keep track of how far I am

USER STORY

As a user

I want a **settings screen**

Because of customizablity

USER STORY

As a student

I want to **see my statistics**

Because I want to know my progress

USER STORY

As a user

I want to **have locked topics**

To keep me on track

USER STORY

As a user

I want to **see labeled buttons of chapters**

Because I want to know what lessons I have to choose from

USER STORY

As a user

I want a **introduction page**

Because I want to know how to use the app

USER STORY

As a user

I want a **side menu of lessons**

Because it will make navigation easier

USER STORY

As a user

I want to **have lessons broken up effectively**

So that I can learn Geometry fluidly.
