User Story

As a user

I want to be able to **choose a chapter**

so that I can choose what topic I want to learn (non sequential ordering).

User Story

As a user

I want to be able to **choose a lesson**

so that I can choose what topic I want to learn (non sequential ordering).

User Story

As a user

I want to be able to see the **chapter split up into lessons.**

Because I can choose the specific material

User Story

As a user

I want to know if **I get a problem wrong**

Because I want to know if I know the material

User Story

As a user

I want a **introduction page**

Because I want to know how to use the app
